

After 20+ years of on-track driving, coaching, and racing, I intend to give back to the Northeast racing community by hosting racing, racing education, and driver coaching events.

Event & Racing Organizer Experience

2024: Series Co-founder, Northeast GT “Real Clean Racing” – Head of Event and Driving, hosted multiple 3hr races and chartered wheel-to-wheel racing school:

- Wrote rulebook, including all driver and crew safety gear requirements, driver experience requirements, and vehicle technical safety and classification requirements
- Operated every aspect of race day events from: *communication with all levels of track staff to ensure sufficient medical / fire / wrecker support, securing technical and safety partners, recruiting / training / managing event staff, setting up online registration and conducting at-event check-in for drivers and teams, designing and overseeing vehicle inspection process, conducting driver experience evaluations, conducting driver and crew gear safety inspections, running the operations of the race school, running operations in the control tower during the race, and managing paddock logistics and safety*
- Results: double 3-hr endurance wheel-to-wheel racing and race school event @ Thompson, June 1-2
 - **GT Race School – graduated 7 drivers, all went on to have incident free first race**
 - **Race results - 239 laps, 1 full course yellow to retrieve stranded car, 0 instances of contact**
 - **Pit lane / fire / paddock safety - 0 safety incidents**
- Video documentary of event: youtube.com/watch?v=mWf_WJuwYo8

2024: Instructor Day @ Thompson Speedway – Keynote speaker: “Survive Your Student”

2023: Driver / Owner, Corner Faster - educational endurance racing development program, hosting groups of racers new to endurance racing at major US endurance race events

- Developed racing coaching content, delivered through virtual simulator, online content, and track-day settings
- Hosted teams of drivers at Watkins Glen, VIR, NJMP, and Sebring
 - Up to 8 drivers per event, including 3 race car rentals with 3 different partner teams
 - **Flawless record of returning cars – \$0 collective team damage bill**
 - **0 safety incidents on-track, on pit lane, or in the paddock**
- Results included VIR 24hr Overall Win (+6th and 7th overall), WRL @ NJMP podium and class win, WRL @ Sebring podium, and top 5 @ ChampCar Watkins Glen

2022 – 2023 Instructor Day Event Host & MassTuning Advanced Coach – coaching for drivers and instructors

- Hosted 2022 Instructor Development Day, leveling-up MassTuning core instructors with **key techniques and a proactive approach to safely instructing new students on-track**
- Conducted intermediate and advanced track-day classroom, track walk, and paid in-car coaching sessions

2012 – 2021 COM Sports Car Club – nearly every single role in the club

- COM Sports Car Club is one of the oldest active sports car clubs in the country, hosting performance driving instruction and competitive time trials events on sports car tracks around the Northeast U.S. and Canada.
- 2012 – 2013 wrote technical safety and classification rules, modernizing the club for modern vehicles
- Club Leadership Positions: 2013 - 2014 Board of Directors member, 2012 – 2021 Driving Instructor,
- 2013 – 2014 Chief Steward in charge of vehicle technical compliance, 2017 – 2018 Advanced Coaching Program founder and operator, ad hoc timing & scoring, ad hoc event operations
- Awards: 2013 President’s Cup, 2013 and 2017 Arthur Kelley Memorial Award (outstanding achievement in a new role), 2015 Marvin Schriebman Memorial Award (outstanding contributor), 2017 Instructor of the Year

2012 – 2022 COM iRacing League – prize league series founder and operator

- Despite the lack of real danger and presence of “reset buttons”, facilitated **mostly clean, contact-free racing, allowing racers to enjoy a real-life-like racing experience**
- Prize league credits sponsored by iRacing – annual payouts of \$5,000 provided by senior iRacing executive to support the series and good branding for iRacing
